Emergency Preparedness:

Office of Emergency Management

In the wake of the Hurricane Katrina, many people are asking how they can be prepared for a natural disaster. The Gallatin County / City of Bozeman Office of Emergency Management offers several resources. They can be reached online at www.bozeman.net (select Disaster and Emergency Services), by email at jshrauger@bozeman.net or by telephone at 582-2350.

The office produces fact sheets to help residents prepare themselves and their families for unplanned occurrences. The fact sheets include instructions for a 72 Hour Survival Kit, dealing with Pets and Disasters, Earthquake information, and much more.

The county also has a Gallatin County Local Emergency Planning Committee (LEPC) who serve the mission to provide a mechanism to identify hazardous materials risks within Gallatin County and foster the development of plans to respond to incidents involving hazardous materials releases. Hazardous materials risks shall be effectively communicated to local emergency response personnel and will be made available to the general public.

For more information on these important resources—call 582-2350.

Firefighters Respond:

Bozeman Firefighters Assist after Hurricane Katrina

FEMA requested assistance from the nation's firefighters and the City of Bozeman responded by sending two of our own local firefighters.

Keith Johnson and John Bos of the Bozeman Fire Department joined approximately 1,000 two-person professional teams to assist in areas affected by Hurricane Katrina. They left on September 6th and will be deployed for approximately 30 days.

They flew to Atlanta to undergo eight hours of training, receive inoculations and be issued gear and deployment orders. FEMA will cover their expenses including salaries, overtime, travel, lodging and food. Thank you to the firefighters and their families!

Code Corner: *Alley Maintenance*

One of the main reasons we plan for alleyways is for placement of utilities and service access. Garbage and fire trucks are the most common examples of services requiring access to a property from an alley. Untrimmed trees and vegetation can be hazardous and inconvenient for our garbage collectors.

Owners are responsible for nuisance weed / vegetation control in the alley right-of-ways adjacent to their property (BMC 8.36). Imagine if a garage were on fire and the fire truck could not get there due to illegal alley parking or obstruction. Bozeman Municipal Code 12.12.020 states that alleys must be kept clear of obstructions and BMC 10.32.160 states parking cannot occur which prevents the free movement of vehicular traffic or blocks the driving entrance to any abutting property.

Weather and manpower permitting, the Bozeman Street Department clears the alleyways between Thanksgiving and Christmas following their leaf cleanup. However, residents are required to make certain they are following these important codes. Do your part in keeping our alleys safe and clean!

Composting:

The Solid Waste Division ends Composting for 2005

The Solid Waste Division would like to thank everyone who participated in the compost program this summer. Due to lack of seasonal labor to collect the compost, it is necessary to end the program for the year.

The last week of compost pickup was August 22-26, however, City of Bozeman customers are welcome to bring any end of season compost, such as lawn clippings, to the City Landfill.

If you have questions or would like additional information—call the Solid Waste Division at 582-3200.

Photo Gallery: *Bogert Farmers Market*

The Bogert Farmers Market occurs under the Bogert Park pavilion located on South Church Avenue. The market happens every Saturday and ends on October 8th.

Don't miss it!

Two Wheel Deal: *Planning Department is Cruisin';*

The City's Office of Planning and Community Development is leading by example. Staff in the Planning Department have required bike lanes in new developments and bike racks for businesses, so it seemed natural to follow their own lead and incorporate bike transit into City business.

In May, the Planning Department purchased two Cruiser bicycles for staff use. The bikes help staff conduct nearby site visits, travel between meetings at the County Courthouse and City Commission Chambers, and efficiently visit other departments housed in City Hall. These locations generally have limited parking and the bicycles have helped to keep spaces open for the public while reducing gas usage by City vehicles as well as traffic congestion and pollution.

Commission Candidates: *Get to Know Them!*

November is nearing and soon it will be time to cast ballots for the Bozeman City Commission! Our City Commission has 5 seats and the candidate receiving the most votes during this election will become the mayor-elect (2 years as a Commissioner and 2 years as Mayor). Six candidates have filed for 3 seats. The City Commission candidates are:

- Sean Becker
- Erik Henyon
- Lee Hietala
- Kaaren Jacobsen
- Jeff Rupp
- Dawn Smith

SWMBIA, League of Women Voters, Chamber of Commerce are all planning forums for the candidates and the Inter-Neighborhood Council will produce a questionnaire for candidates which will be distributed to all Neighborhood News subscribers. Take time to know the candidates!

Safe Neighborhoods Initiative: *Community Alcohol Coalition provides Info in the Water Bill*

If you receive a City water bill this month, you also received a brochure produced by the Community Alcohol Coalition. The Safe Neighborhoods Initiative brochure provides information for citizens planning a party in a residential neighborhood and for the surrounding neighbors.

The brochure contains the current state laws including topics such as Minor in Possession, Public Nuisance, and Endangering the Welfare of Children. Tips to help neighbors be considerate of their neighbors are included as well as how to avoid Police intervention. Careful planning and consideration for your neighbors and party attendees keeps parties manageable and reduces the impacts on our community resources.

If you would like to contact the Community Alcohol Coalition—email them at bozemancac@yahoo.com.

Tips for Neighbors:

You are encouraged to speak with neighbors if you are being inconvenienced by a party. However, you should phone the police at 582-2000 (option 2) under the following circumstances:

- The noise has become disruptive after a reasonable hour;
- You suspect illegal or dangerous behavior;
- You do not feel safe approaching anyone at the party.

SENA Summer Celebration —The SENA Summer Celebration drew a terrific turnout and a lot of good food. Residents of the Westridge area gathered at the Pilgram Congregational Church to enjoy a meal and catch-up after a busy summer. Jim Banks and Pierce Mullen presented JP Pomnichowski with a gift certificate for a local quilting shop and reminded residents of the upcoming neighborhood elections.

Commission Candidate Meet and Greet—

SENA will host another Commission Candidate Meet and Greet for residents of the area interested in learning more about the candidates. If you are able to help organize or prepare the room for this fun and important event—please contact your neighborhood representatives. The event is not currently scheduled, but is anticipated to occur in mid-October.

NORTHWEST Residents

Northwest Neighborhood Network Meeting TONIGHT — The NWNN is holding its first annual meeting this evening (September 15) at Emily Dickinson School beginning at 7pm. The NWNN has been active for 2 years, but is seeking to become a “recognized neighborhood”. An election of representatives, bylaws and boundaries must occur to meet this criteria and the group hopes to meet these requirements this evening. Residents living within the proposed boundaries of Main/Huffine to Oak and 19th to Ferguson are strongly encouraged to attend. The NWNN can be reached by email at northwestneighborhood@yahoo.com or by calling 587-7024.

@ Our Library

Teens in middle school and high school are invited to be a part of the Library's Teen Advisory Group.

The Teen Advisory Group will help plan programs for teens, helps with material selection, and is brainstorming ideas for the teen space in the new Library for next fall. They are also in the process of publishing a book of teen poetry.

For more information, please call Ginny @ 582-2404.

MSU—The Margaret Mead Film Festival, a nationally renowned program based out of the Museum of Natural History in New York City, is coming to Bozeman starting Sept. 18.

The six-week series of programs will run on Sunday nights at 7 p.m. at the Rialto Theatre in downtown Bozeman.

Showing Sept. 18 is "Afghanistan Unveiled," filmed by the first team of female video journalists trained in Afghanistan, and "Madam Ti Zo," about a midwife and herbal doctor who runs her own clinic in Jacmal, Haiti.

The films play at only a limited number of venues nationwide. The MSU Diversity Awareness Office is sponsoring the films in Bozeman. For more information, call 994-3591.

Kids of All Ages— The **Adult Community Education** department of the Bozeman School District offers a wide variety of courses in many areas including job skills, CPR/First Aid, computers, finance, wildlife observation in Yellowstone Park, cooking, music, hobbies, and languages. For more information call: 522-6012. You can pick up a brochure at their office in room 220 of the Willson School or access course listings at <http://www.bozeman.k12.mt.us/adlted/>

Seniors— RSVP facilitates volunteerism for individuals 55 and older to meet community needs. Volunteers are matched with public and non-profit organizations that need help. These organizations range from education centers to police departments to hospitals. The participating organizations receive the experience that only active older adults can provide and the volunteers receive the satisfaction of making a difference in our community. The only requirements are that the volunteer be 55 or over and willing to serve their community.

Contact RSVP!

To be a volunteer or to request the help of our volunteers for your organization, stop by or call the RSVP office.
